Spirituality of the Heart in an Australian Lay Context

October 2022

## Uluru Statement From The Heart Endorsement

The 'Uluru Statement From The Heart' (2017) is an invitation from the First Nations people of Australia to dialogue about human dignity and inclusion. It calls for a constitutionally entrenched First Nations Voice to Parliament, and a Makarrata commission to oversee a process of treaty-making and truth-telling.

The Australian Council of the Laity of the Chevalier Family accepts the invitation from the Aboriginal and Torres Strait Islander people to “walk with us in a movement of the Australian people for a better future”. The Australian Council supports the 'Uluru Statement from the Heart' and recognises the importance of ensuring First Nations people have a voice in Australia.

With deep respect and love, we acknowledge the Aboriginal and Torres Strait Islander people (the traditional custodians of this land) and their Elders - past, present, and emerging.

We support the *Uluru Statement From The Heart* and recognise the importance of ensuring First Nations people have a voice in Australia.

We commit to a "greater love for our Creator, each other, and the home we share". (Laudato Si 14).

We live in the *Spirituality of the Heart* and are called to love and care for Creation.
